NASA SEWP VI Ordering Guide

Capital Consulting LLC d/b/a Tharseo IT

Contract 80TECH26D0947 | Category C: ITC/AV Mission-Based Services | Group C1 Small Business Set-Aside

October 2026

1. Overview

Capital Consulting LLC d/b/a Tharseo IT is a Small Business prime Contract Holder under the NASA Solutions for Enterprise-Wide Procurement (SEWP) VI Government-Wide Acquisition Contract, Category C (ITC/AV Mission-Based Services), Group C1 Small Business Set-Aside. Through SEWP VI, all Federal agencies and their approved contractors can order Tharseo IT services quickly, with competition already established at the contract level.

NASA SEWP (Solutions for Enterprise-Wide Procurement), pronounced "soup", provides Information Technology, Communication, and Audio-Visual (ITC/AV) solutions and services to all Federal agencies and their approved contractors. Created in 1993, SEWP was the first GWAC in the federal acquisition space. The program is managed by NASA's Goddard Space Flight Center, is self-funded through a 0.34% usage fee, and supports more than 50,000 orders a year.

3. About Tharseo IT

Tharseo IT (Capital Consulting LLC d/b/a Tharseo IT) is a Washington, DC based small business founded in 2014, specializing in Oracle E-Business Suite, Oracle Database, and Oracle Cloud Infrastructure services for federal agencies. Tharseo IT also holds GSA MAS contract 47QTCA20D0084.

4. Scope Under SEWP VI

- Oracle E-Business Suite (EBS) implementation, upgrades, and operations and maintenance
- Oracle Database administration, performance tuning, and migration
- Oracle Cloud Infrastructure (OCI) migration, architecture, and managed services
- Cloud, data, and application modernization
- Program and project management for enterprise IT programs

Category C covers services-based solutions at the mission or program level. Product-only requirements are not in scope for Category C.

5. Fair Opportunity and Requests for Quotes (Contract Clause A.1.13)

Contractors will be provided a fair opportunity at the individual order level as appropriate per FAR Part 16.505(b), including the SEWP RFQ tools. No documentation for the order selection is required to be submitted with the order. All such documentation is to be maintained by the issuing procurement office.

The Contractor shall not market, quote or otherwise offer for sale, any IT Solutions not listed under this contract, until the said solutions are included in the SEWP database of record, and available to all Government end-users.

If the Government issues a Request For Information (RFI) as part of market research, the Contractor may provide items not yet listed on their SEWP contract as part of a market research quote if:

1. all such items are clearly marked as not yet available on their SEWP contract; and
2. the contractor submits a technology refreshment request to add those products to their contract

If the Government issues a Request For Quote (RFQ) or a Market Research Request (MRR), the Contractor may only respond with items available on their Contract and the price of each item shall be no greater than the price in Attachment F SEWP database of record at the time the quote is issued. If the Contractor has insufficient items on their contract to fully respond to the Formal RFQ, the Contractor must respond with a No Bid.

Unless the RFQ specifically allows for partial quotes, the Contractor must respond fully to all requirements specified in the RFQ.

When submitting a quote to a government end-user, the contractor must clearly state the length of time the quote is valid. The contractor shall honor any order submitted within the stated time period of a quote.

When responding to an RFI or RFQ issued from the NASA SEWP RFQ on-line quoting system, the Contractor must respond as outlined in Attachment C: Contract Holder User Manual (CHUM).

Contract Holders are prohibited from using Government information posted on the NASA SEWP Contract Holder Only Page, such as RFQs, RFIs, etc., for purposes other than proposing on SEWP requirements. This includes Contract Holders providing third parties with SEWP information and requirements for the purpose of assisting companies, that are not SEWP Contract Holders, with

providing unsolicited proposals to meet agency requirements already posted to the NASA SEWP RFQ on-line quoting system.

6. Ordering Process

1. Submit a Request for Quote (RFQ) or Request for Information (RFI) through the NASA SEWP Quote Request Tool at www.sewp.nasa.gov, selecting Category C.
2. For market research or questions before issuing an RFQ, contact the Tharseo IT SEWP Program Manager, Tierra Jackson, at tjackson@tharseoit.com or (203) 535-2033.
3. Tharseo IT responds through the SEWP tool with a quote that states its validity period. Pricing includes the 0.34% SEWP fee.
4. The ordering agency issues the delivery order. Tharseo IT honors any order submitted within the stated validity period of the quote.
 - All Federal agencies and their approved contractors may order. Fair opportunity applies at the order level.
 - The 0.34% SEWP fee is included in quoted prices and is not shown as a separate line item.
 - If paying by Government Purchase Card, any applicable surcharge is stated on the quote using the PURCHASECARD-Z CLIN.
 - Authorized order types and Category C order thresholds are listed in Section 2.

7. Program Support

Post-Award Support

Each SEWP VI delivery order has a designated Tharseo IT project manager who is the customer's day-to-day point of contact for kickoff, staffing, deliverables, status reporting, and invoicing.

Installation, warranty, and technical support: Tharseo IT delivers services under Category C. Where an order includes implementation or deployment work, Tharseo IT supports it through acceptance and provides post-implementation support as defined in the order. Any third-party software or support included in a solution is covered by that manufacturer's warranty and support terms. For support questions, contact the SEWP Program Manager, Tierra Jackson, at tjackson@tharseoit.com or (203) 535-2033.
