

OPTIMIZE YOUR BANNER EXPERIENCE

Boost Your OCI Potential with Tharseo IT's Tailored Managed Services.

TAKE YOUR SCHOOL TO THE NEXT LEVEL

While Tharseo IT's Managed Services Enhance Your Ellucian Banner Experience on OCI, Driving Innovation, Elevating Efficiency, and Delivering Unparalleled User Satisfaction. Rest assured, Banner product support is agnostic to the underlying infrastructure, so product support remains as is.

Increase Operational Efficiency

Our team specializes in managing Banner environments, employing our extensive expertise to optimize performance, maintain system health, and troubleshoot any arising issues swiftly. We help supercharge your operational efficiency, letting you harness the full power of your Banner system.

Scale With Ease

As your institution expands, Tharseo IT seamlessly scales your Ellucian Banner environment to match increased demand, negating the need for substantial infrastructural investments.

Experience Tangible Cost Savings

Anticipate your monthly costs, circumventing the need for a dedicated in-house IT team. We deliver top-tier support at a fraction of the operational costs.

Liberate Your Resources

Entrusting your Banner management to Tharseo IT means your in-house team can focus on core tasks that directly contribute to your institution's strategic goals.

Enhanced Security & Compliance

We are committed to fortifying your Banner environment, employing the latest security updates, and ensuring compliance with all industry and government regulations.

Leverage Latest Technologies

We stay abreast of the latest technologies and updates, ensuring your Banner environment always employs the most effective and efficient solutions. At Tharseo IT, we're your gateway to IT advancement.

We go beyond day-to-day operations. We assist with strategic planning, providing insight on system upgrades, integrations, and IT landscape changes that could impact your Banner environment.
